

WELCOME TO OUR CLASSROOM!

Mrs Owoh's 1st grade
Class of Shining Stars!

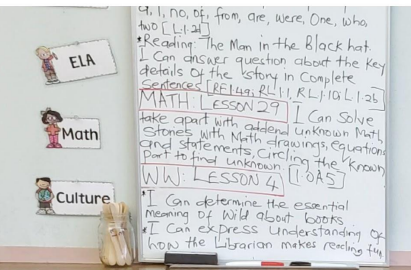

Meet The Teacher

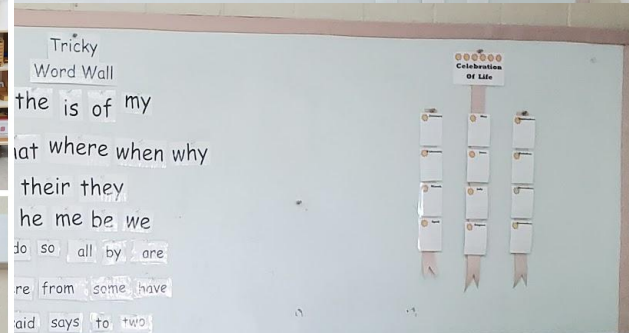

My name is Mrs. Justina Owoh, but my students call me Ms Tina.

An experienced educator who is not just passionate about teaching, but about making impact and molding future leaders. I caught the fire and passion from my father, a Professor, whose legacy in education still lingers. I hold an M.Ed degree and have been teaching for almost 2 decades with great, impactful results. I am therefore excited to have the honour to teach your child this academic year.

I am a wife, proud mum and pastor.
