# Welcome to Hammond Westside Montessori School!

My name is Courtney Addison, and I am so excited to be working alongside Mrs. Hawkin's this year as her Para!

I have worked for over ten years in childcare, and I have been a part of HWMS for four years. I am currently pursuing my bachelor's degree in Early Childhood Education. I love to travel in my free time!

I am very excited about what this school year will bring!

The image depicts a virtual classroom environment. In the center, a whiteboard is mounted on a white brick wall. It features a purple banner at the top and a pink banner below it, both containing text. To the left of the whiteboard is a tall wooden abacus with colorful beads. To the right is a wooden shelf with various items, including a potted plant, a framed photo, a mug, and boxes of supplies. In front of the whiteboard is a wooden desk with a black metal frame. A small rug with a circular pattern is on the floor, and a box of red blocks sits on it. A potted plant is also on the floor to the left of the abacus.
