I grew up in New Orleans, but have been in Hammond since I started college.

I graduated from SLU in 1979.

I have been at Hammond Westside for 14 years.

When I began at Westside I taught 2 second grade. When we became a Montessori School, I taught a first/second/third grade Combo Class for 8 years.

Before that I taught at Perrin ELC for many years.

My first teaching position was at Springfield elementary where I taught 5th, 6th and then first grade.

I have 3 grown children and a one year old Grandson. My daughter lives in Los Angeles and my two sons live locally.

My husband and I enjoy working on our gardens on the weekends.
